

Customization or standard sizes

You either have too little space, you want to work very quickly or you have a product with special sizes. Let customization be our major specialty! No question sounds strange to us. With the many years of experience of Prefamac, we always find a solution together. And ... at an affordable price.

Myriam Schepers
Managing Director

Tailor-made cooling tunnel

With 2, 3 or 4 evaporators? Horizontal, rising or falling? With dehumidifier? 620 mm or better 1600 mm belt width? With single or double drive? Really all your parameters are covered by Prefamac. To guarantee you the ideal cooling tunnel today, but also within 5 years. And yes after 20 years our very solid cooling tunnels are still running. Power, Power Slim, Power Plus, Light What are your wishes? We are happy to help you further.

Visit our website www.prefamac.com for more images of the Prefamac cooling tunnels.

At [more photos](#) we already show you some examples.

Tailor-made enrobing

Perhaps you wish to first try whether your new products are well received by the customer? Do you not yet have the budget to enrobe your ice cream, chocolates or cookies with an expensive industrial machine? Then buy simple standard machines, and we will supply the necessary custom work!

At [more photos](#) we show you what is possible.

Tailor-made giraffe and kettle

Both the Prefamac melting kettles and the Prefamac giraffe belts are available in standard models or can be customized. The giraffe belts can quickly fill the kettles at the end of the day. Or can constantly top up the kettles all day long. Currently, almost all contents are in production 100L, 170L, 240L, 500L, 1000L, 2000L, ... so please feel free to visit us. A tip: The train from Paris to Brussels is only an hour!

At [more photos](#) we show a lot of kettles variants, completely according to the request of our customers.

Custom Interpack 2020

Appointment at Interpack 2020? You can find us in Hall 3, stand A80. Of course we will show many standard machines in Düsseldorf next year. But also customization of course.... Make a note of it from 7 to 13 May 2020.

Tailor-made moulds

Isn't it really great to unpack with your own product? Always recognizable, a sign of class, and success guaranteed. Preferably with a name or logo? A recognizable building or a local use? Do you already get some creative inspiration with **more photos**? We are happy to help you with this

Tailor-made decoration

Do you want to add a nice decoration? And very flexible so that your range suddenly increases? Do you want to be able to switch quickly so that you can help your customers quickly? Give them the choice, and that reinforces your own position. Take a look at [this link](#).

At [more photos](#) we show solutions for everyone's budget.

Tailor-made work

Not only in the context of corporate social responsibility, but also because staff is "the new gold", at Prefamac we want every office to be warmly and comfortably dressed. With a work of art, modern or abstract, with a cozy coat rack, For this we appealed

to an art academy, where both hobbyists and the disabled can go. The whole is a peaceful green oasis, which is very inspiring. You are always welcome for a no-obligation visit

At [more photos](#) we let you taste our atmosphere.
